APPOINTMENTS

K. KASOTIA TAKES OVER AS COO – WIND, HYBRID & STORAGE OF AMP ENERGY INDIA

He has worked with leading renewable energy developers such as Sembcorp Green Infra and Vena Energy...

Amp Energy India, a leading renewable energy company has hired Kapil Kasotia as Chief Operating Officer (COO – Wind, Hybrid & Storage) in line with its growth in providing renewable energy solutions through wind, hybrid and storage. Kasotia has been brought on board to focus on the evolving wind, hybrid and storage portfolio of the company and strategic investments in line with the evolving nature of the market needs, the company is replicating its business offerings in wind, hybrid and storage.

Kasotia, an alumnus of IIM Calcutta, has brought over two decades of experience in delivering 3-4 GWs of projects across wind, solar & hybrids. Commenting on Kasotia's appointment, Pinaki Bhattacharyya, Amp Energy India–Co-Founder, MD & CEO, said, "We are happy to have Kapil on board as he brings in decades of experience in the renewable energy sector and government engagement to ensure our growth targets are met and exceeded."

S. SINHA, CHAIRMAN AND CEO OF RENEW POWER, BECOMES THE NEW PRESIDENT OF ASSOCHAM

He is a passionate advocate for solutions related to climate change and sustainable development...

Sumant Sinha, Founder, Chairman and CEO of ReNew Power – one of the country's largest clean energy companies, has taken over as President of the Associated Chambers of Commerce and Industry of India (ASSOCHAM). Sinha founded ReNew Power in January 2011, with a vision to transform the way energy is produced and consumed in India. Under his leadership, ReNew Power has grown into India's premier renewable energy company with an aggregate portfolio

of more than 10 GW spread over more than 100 sites. Commenting on his strategy, Sinha said, "During my tenure as ASSOCHAM President, my colleagues at ASSOCHAM and I will support corporates, MSMEs, smaller entrepreneurs, and artisans in working collaboratively with the government to ensure India's products reach "every nook and corner of the world", as per the Honourable PM's just-stated vision for 'local' to become 'global'."

R. K. PARAKH OF VIKRAM SOLAR GETS PROMOTED TO THE RANK OF COO

He has an exceptional leadership track record as the CFO of Vikram Solar...

Vikram Solar has recently appointed R. K. Parakh as Chief Operating Officer (COO) for the Engineering, Procurement and Construction (EPC) division. Parakh has been associated with the company since 2017 as the Chief Financial Officer (CFO). He has been at the helm of driving several strategic and financial planning initiatives at Vikram Solar. Commenting on Parakh's appointment, Gyanesh Chaudhary, Vice Chairman and Managing Director, Vikram Solar, said, "Mr. Parakh has led the organization as

the CFO and has complete overview of our global operations, projects, business development, Research & Development (R&D). The solar sector is at an inflection point with government's policy impetus and the demand surge for solar globally to accelerate the clean energy transition. At this juncture, we will immensely benefit from Mr. Parakh's deep industry knowledge to further strengthen our track record and leadership in solar EPC, which significantly contributes to our overall revenues."
